### Concerts Today

WILLIAM H. SANTELMANN,

Delicately Extracted Bullet

PARIS, Sept. 2 (By mail), Gen. Pau ferald Paul hero of the second capture Muchausen, whose army has borne of the biggest parts in the war a letter just published, written o his mother seen after the battle of Woerth in 1870, in which he lost hi ight arm, told the story of his wounas follows:

Bones of His Wrist.

PAU'S NERVE SHOWN

"My good Mother: As I don't know f and of the letters that I have writsince I have strong reasons for he-lieving that none of them has reached you, while this time I may hope that on will be able to see my autograph am going to relate my adventures it length.
"First of all, the originality of the

receding seven lines must lead you o think that they were traced by a cost instead of a hand. Undeceive courself and laugh neither at the first efforts of an unpracticed hand, nor at the style. Besides the fact that I speak alflost exclusively German his now I swear that elegant phrases don't low easily when it takes five minutes

But I am forgetting that I haven' old you the main thing. I am wounded but, you see, not dangerously. It was the 6th of August, in the battle of Woerth I had up to that time the luck not to be touched, in the midst of a rain of iron and lead, when a shell smashed a tree near me and a splinter struck me on the right hand and put two fingers hors du combat. An hour afterward I regretted much less the loss the above mentioned digits, because Bavarian built fractured the same mes of my wrist, from which I del o the ambulance, and it was while I tagged myself along in that direction. bliged to pass under the fire of the russian batteries, I received a frag-nent of a shell in my right thigh. Unnecessary for me to tell you that

"I nnecessary for me to tell vou 'hat all is ouite well with me. It is true they had to amputate my wrist, but the operation was highly successful. How could it be otherwise? I am with the best folks in the world, nursed like a child of the family; visits, each more affectionate than the last. I don't lack. "Enough of myself. I needn't tell you that I am anxious for both your roor. Lerraine and our poor France. Shall I erraine and our poor France. Shall I Trailing a wing and dragging

"It is Lafontaine who gives the an and hoping to see you soon, "GERALD."

#### Poisons in Shakespeare; Bard's Knowledge Scant

PHILADELPHIA, Pa., Sept. 14.—The polyons mentioned in Shakespeare's works have been made the subject of a study by Dr. Cartaz, the eminent French physician. It appears therefrom be pointed out that this juice could not possibly penetral, the drum of the ear.
But the helief in the deadliness of poison thus introduced into the system was so general at the time that Arminotes Pare was accused of killing in this manner King francis I of France, although it is now vertain that the King alter the control of the fundament of the serimonial sirkus, issued by Monarch P. R. Pullman.

although it is now certain that the King died of meningitis caused by inflamma-tion of the internal ear. Then, again, when Friar Laurence, in "Romeo and Juhet," gives Juliet the potion that "shall make the body stiff, stark and cold, appear like death," it can only have been Dr. Cartag consid-ers, datura strangoloun (thorn apple) or mandragura root. The latter enjoyed, during the Renaissance, a great vogue, but experiments have shown that the awakening from its effects is accompanied by violent nausea, so that Juliet would have met her lover in a

ting to a Control News disputch far from poetical condition.

#### Kallipolis Grotto Will Have "Serimonial Sirkus"

Many interesting things are anticipated by the members of Kallipolis Grot-to. Mystic Order of Velled Prophets, at the coming "Kallipolis Grotto Septem-ber Serimonial Sirkus," which is to be held at Odd Fellows Hall on the even-ing of September 29.

Aside from the features of the enter-French physician. It appears therefrom that the extensive medical knowledge which lakes eare is supposed to have possessed and which has been advanced by the Eacon theorists as a proof in support of their contention was no more extensive than that of Shakespeare's contemporaries who, it further appears, labored under the same misapprehensions as he regarding the potency of certain philiters and poisons.

When, for itistance, the Ghost of Hamlet's father says that Claudius poised "the julce of cursed between cheatance into the porches of his cars," it smould be pointed our that this juice could not possibly penetral; the drum of the ear.
